RE: APPROVAL OF THE LIGHT WEIGHT STEEL FRAME BUILDING SYSTEM

We would like to take this opportunity to inform you that the Light Weight Steel Frame Building System is acceptable to Standard Bank for mortgage loan purposes.

The following conditions will apply:

- Banks Lending Criteria applicable at the time of application
- The appointment of a structural engineer to oversee all construction
- NHBRC enrolment
- Approval of this system is applicable to residential units only

Standard Bank reserves the right to review the above building system in the event of technical non compliance.

Yours Faithfully
